ABSTRACT:

Students pursuing their study to tertiary education require a high level of information literacy. However, the strings are different when students come in different levels of literacy. Due to this scenario, the I@M Pro4U is designed specifically for educators regardless of school, university and the public. This platform uses a relaxing tutorial method but covers important aspects to know, share and exchange among those who involve in this information business

Keyword: information literacy, Online Instruction Information Literacy, Tutor Guide

Novelty & Uniqueness:

Knowing, sharing and exchange in a relaxing platform.

Potential Commercialization:

Can be used widely among information literacy instructors as a tutorial module.
