ENGAGING THE WORLD

Strategic Sharing by DoR
at MeTPI-13 Reinforces UiTM's Ranking Goals

15th April 2025

The Department of Ranking (DoR), UiTM Global, was honored to be invited to present at the 13th Mesyuarat Timbalan Naib Canselor (Penyelidikan & Inovasi) (MeTPI-13) held from 15 to 16 April 2025. MeTPI-13 was attended by Deans (Research & Innovation), Deputy Deans (Research & Industrial Linkages), and Deputy Rectors (Research & Innovation).

Held at Hotel Bayview, Pulau Pinang, the session provided a valuable platform for strategic dialogue on UiTM's ranking performance and future direction. Assoc. Prof. Ts. Dr. Rosdiyana Hasham @ Hisam, Director of the Department of Ranking, shared key updates on the university's current standing in major global ranking systems, including QS and Times Higher Education (THE). The session also outlined the latest strategies and performance indicators shaping UiTM's global competitiveness.

The objectives of the presentation were to share progress, present forward-looking initiatives, and gather feedback from MeTPI members to ensure that UiTM's ranking plans are inclusive, data-driven, and aligned with the university's strategic goals. In particular, the sharing focused on strengthening faculty-level engagement, encouraging cross-departmental collaboration, and fostering a culture of continuous improvement in global performance metrics.

This strategic engagement also explored opportunities for greater synergy between MeTPI members and the ranking department, especially in aligning interventions with high-impact areas and long-term institutional transformation goals. The exchange of perspectives during the session underscored the importance of integrated efforts in elevating UiTM's international reputation.

UiTM Global Advances Strategic Data Management
with Ranking Data Cube and Dashboard Workshop

20th May 2025

In line with the strategic aspirations of UiTM2030 to position the university as a Globally Renowned University, UiTM Global has taken a major step forward with the Ranking Data Cube and Dashboard Development Workshop, held from 20 to 22 May 2025 at the Meeting Room UiTM Global, Shah Alam. The workshop, spearheaded by the Department of Rankings (DoR) in collaboration with University Transformation Division (TRU) and the Digital Office of UiTM, represented a strategic step forward in centralizing and streamlining the university's ranking-related data processes.

As part of UiTM's strategic commitment outlined in the UiTM2030 roadmap, this initiative supports the university's aspirations to become a Globally Renowned University. The workshop focused on mapping institutional data from various stakeholders to meet the requirements of global ranking bodies such as QS and Times Higher Education (THE).

A core focus of the workshop was the development of UiTM Ranking Data Cube, a multidimensional data structure that will enable precise data management and deeper analytical

capabilities. The Data Cube will support categorisation by dimensions such as faculty, subject, year, and performance indicator, tailored to match the evolving demands of global ranking bodies.

Alongside the Data Cube, a Ranking Dashboard is being developed to provide an accessible and interactive visualization platform. This tool will significantly enhance data maintenance, enable real-time updates, and support data-driven decision-making processes university-wide.

This initiative demonstrates UiTM Global's proactive approach to institutional performance tracking and its long-term vision for international excellence. By strengthening the infrastructure for data management and visibility, UiTM reaffirms its dedication to transparent, coordinated, and impactful contributions to global rankings. DoR Engages APB on QS Ranking Strategy

22nd May 2025

Leadership teams from DoR and APB pose for a group photo following the engagement session.

The Department of Ranking (DoR), UiTM Global, conducted a strategic engagement session with the Akademi Pengajian Bahasa (APB). Held on 22 May 2022, the session centered on UiTM's standing in the QS World University Rankings (WUR) by Subject, particularly in English Language and Literature. The session aimed to foster a deeper appreciation of the Academy's role in contributing to UiTM's global reputation and subject-specific excellence.

Led by DoR, the session provided clarifications on QS ranking mechanisms, including data mapping, performance metrics, and strategic alignment. Discussions also explored how APB could further contribute to UiTM's ranking aspiration, not only through the English Language and Literature subject, but also as a strategic foundation for potential future inclusion in the Modern Languages subjects.

The session was well received by the Dean and Deputy Deans of APB, who actively engaged with the DoR team to address ranking-related queries and explore collaborative steps forward. This initiative reflects DoR's proactive approach to faculty engagement, ensuring that each academic unit is empowered to contribute meaningfully to UiTM's international standing. The Department of Rankings appreciates the warm reception and looks forward to continued collaboration with APB to elevate UiTM's presence in international rankings.

A productive discussion unfolds as DoR shares data-driven strategies with APB to support international ranking goals.
