## SUMMER PROGRAM: INTERNATIONAL EXPOSURE & EXPERIENCE ACT LOCAL, BE LOCAL

15<sup>th</sup> - 29<sup>th</sup> January 2024

UiTM recently hosted exchange students from Inner Mongolia University of Technology (IMUT). This event aimed to promote cultural exchange and foster community engagement among students from different backgrounds.

During the visit, participants engaged in various activities to explore local traditions and share aspects of their daily lives. This collaborative experience facilitated the development of friendships

and a deeper understanding of each other's cultures over ten days.

The activities included shared meals, discussions, and cultural presentations, contributing to an enriched campus environment. The interactions and experiences gained during this time are expected to have a lasting impact, promoting ongoing connections between the universities.

As the exchange program concluded, both the visiting students and their hosts expressed appreciation for the time spent together, highlighting the value of global understanding and the potential for future collaborations. The hope remains for continued interactions and the strengthening of these international ties.
