## "JELAJAH ASPIRASI ILMU" EMPOWERS MUKAH STUDENTS THROUGH STRATEGIC EDUCATIONAL OUTREACH

Written by: Stefanie Natasha Rich, Amira Hazwani Anuar, Siti Nur Atiqah Mohd Shafie, Fakhira Datu Jafri, and Nur Nadia Qausar Juhari

Universiti Teknologi MARA (UiTM) Sarawak Branch, Mukah Campus, successfully conducted its educational outreach programme, "*Jelajah Aspirasi Ilmu*", from 18 to 21 August 2025. The initiative featured two interactive workshops aimed at Form 4 students namely "*Say It Right: Public Speaking for Future Leaders*" by English lecturers from the Academy of Language Studies, and "MATHgic: Calculator Mode ON" by Mathematics lecturers from the Faculty of Computational and Mathematical Sciences.

The workshops were held at three schools: SMK Three Rivers (18 August 2025), SMK St. Patrick (20 August 2025), and SMK Mukah (21 August 2025), and were organised in collaboration with ADUN N57 Tellian, Biro Pendidikan Mukah, and Unit SABERKAS Tellian Laut, with coordination from UiTM's Academy of Language Studies, Study Centre of Business and Management, and Faculty of Computational and Mathematical Sciences.

A notable highlight was the presence of YB Royston bin Valentine, Honourable Assemblyman of ADUN N57 Tellian, at SMK St. Patrick. YB Royston personally oversaw the workshop sessions and presented a token of appreciation, on behalf of UiTM, to the school's Senior Assistant of Administration. His involvement significantly uplifted the programme, offering motivation and reinforcing the value of educational leadership among students. This outreach effort underscores UiTM Mukah's commitment to community engagement and the development of future-ready learners through strategic partnerships and educational empowerment.
