UiTM Mukah Hosts Final Leg of the 2025 Knowledge Aspiration Tour

Written by: Siti Faridah Kamaruddin, Stefanie Natasha Rich Joseph, Cindy Robert, Nur Nadia Qausar Juhari, and Mohamad Musa Bohari

On 21 August 2025, SMK Mukah became the last pitstop for the Jelajah Aspirasi Ilmu 2025 (Knowledge Aspiration Tour 2025), jointly organised by the Academy of Language Studies (APB) and the Faculty of Computer and Mathematical Sciences (FSKM), Universiti Teknologi MARA (UiTM) Sarawak Branch, Mukah Campus. The programme was held in collaboration with the N.57 Tellian Service Centre, the Mukah Education Bureau, and the SABERKAS Tellian Laut Unit.

The initiative targeted Form Four students, focusing on enhancing public speaking skills and promoting the effective use of scientific calculators. Each school visit presented a unique learning experience, shaped by the diverse responses of the students. At SMK Mukah, the "Say It Right" seminar was delivered by Ms Siti Faridah Kamaruddin, an alumna of the school. Participants responded positively, actively engaging in Q&A sessions and working closely with APB lecturers who facilitated the programme. These lecturers shared their expertise in language and guided students in preparing effective public speaking scripts.

Following the seminar, four students were nominated to compete in a Public Speaking Contest. Mario, a student aspiring to become a teacher, emerged as the winner after confidently addressing the impromptu question, "What job do you want in the future?"

It is hoped that programmes like this will inspire more students to pursue careers in education and other vital fields, supported by the confidence and skills developed through public speaking.
