Executive Summary

This report summarized my six-month internship experience at Sherwin-Williams Company, a leader in the paint and coatings industry. It is structured to provide insights into both the company and my personal development during this period.

The report opens with an **acknowledgment** section, where I express gratitude to mentors, colleagues, and the organization for their support and guidance throughout my internship journey. Following the **profile of me** outlines my resume, showcasing my educational background, skills, and experiences that prepared me for this opportunity. In the **introduction of company**, I provide an overview of Sherwin-Williams, detailing its rich history, market significance, and commitment to innovation. The **vision, mission, goals, and values** section highlight the company's dedication to quality, sustainability, and customer-centric practices, which resonated with my professional aspirations.

The **about company** section further explores Sherwin-Williams' role in the industry which consist of background, history and milestone of company, while the **company division and organizational structure** sections illustrate the internal framework that supports its operations and strategic objectives. This understanding was crucial in navigating my role within the organization. The report also highlights the diverse **brands and products** that offered by Sherwin-Williams, showcasing the company's commitment to quality and innovation. My **training reflection** captures what role that I play during my internship, reason why I choose to do my intern at Sherwin Williams, the practical insights and skills I acquired during my internship and also emphasizing how my academic knowledge was applied in real-world scenarios.

A comprehensive **SWOT analysis** identifies the strengths, weaknesses, opportunities, and threats faced by Sherwin-Williams, providing a strategic perspective on its competitive landscape and informing my understanding of industry dynamics. The report concludes with a **conclusion** summarizing key learnings and experiences, followed by **recommendations** for potential improvements based on my observations during the internship. Lastly, the **references** and **appendices** sections provide supporting documentation and additional resources relevant to my internship experience.

Overall, this report reflects my growth and development during my time at Sherwin-Williams Company, highlighting both the company's excellence in the industry and the invaluable experiences I gained as an intern in finance department.

.
.

Acknowledgement

I am profoundly grateful to all the individuals and organizations that played a vital role in the successful completion of my internship and this report. First and foremost, I would like to express my sincere thanks to **Sherwin-Williams Company** for providing me with this invaluable opportunity. The knowledge and experience I have gained during this internship are immeasurable and I am particularly thankful to **Miss Norashikin Binti Rusli, my beloved supervisor and my teammates** for their unwavering guidance and support throughout my time here. Their expertise and willingness to share insights have been instrumental in shaping my deeper understanding of the industry.

I would also like to extend my sincere appreciation to my academic institution, **Universiti Teknologi Mara Cawangan Melaka Kampus Bandaraya Melaka**, and my classmates who have supported me throughout my academic journey. Special thanks to **Madam Nor Halawah binti Ahmad, my internship advisor**, for her constant encouragement and for ensuring that I could balance my academic responsibilities with the demands of the internship. The theoretical knowledge I acquired during my studies in internship provided a strong foundation that allowed me to effectively apply practical skills in a real-world context.

Lastly, I am deeply thankful to **my family** for their unwavering support and encouragement. Their understanding and patience during this period have been a great source of strength for me. This internship would not have been possible without their moral support and the confidence they placed in me. I am truly thankful for their presence in my life, which has inspired me to strive for excellence and successfully complete this internship and report.
