JULY 2019

ACKNOWLEDGEMENTS

Praise to the Lord for strength, health and opportunity given to us as without Him, we might not able gone through all obstacle during my practical and study. We were felt bless and grateful that we could finish this task given on time. We also owe much thanks to many people whom have helped and supported me during preparing the report. In particular, we wish to express our sincere appreciation to our managers, Mr. Azlan Bin Awang Damit give his guidance, advice and friendship during our internship. We also thankful for all staff and workers at Desa Okidville Sdn Bhd, Sook, Sabah for willingness to teach and guide me.

This report also could not have been prepared without the help and encouragement from various people. We would like to thank our family for their encouragement and blessing and support us in many ways. We also thanks to Desa Okidville Sdn Bhd, Sook, Sabah for willing accept us to do the Industrial training and at the same time give and support me to complete this final report.

We would like to thank to our Lectures Mdm. Dayang Shurtinie binti Dato Shuaib, Mr. Hamjah Bin Rusli, Mr. Mohd Hafezan bin Sisa and Dr. Hendry Joseph for willing us to do the industrial training. Once again, we are thankful to all who have helped us in completing this report.
