ACKNOWLEDGEMENT

First thing first, I would like to give praise to Allah SWT for giving us the opportunity and strength to complete this Industrial Training II Report as the requirement that given for our course for code FPA310.

This Industrial Training Report II will not manage to be done without supports and advices from many parties which are directly involve or indirectly involves. First of all, we sincerely want to give uncountable thank you to our Programme Coordinator, Ts Dr Hendry Joseph whom the person who are very important for us where he is the person who being the major supporter for us and his guidance in completing our report. Besides, Major thankful to academic advisor, Encik Hamja Rusli for guiding us since the early of the semester until our final semester which is part 5. Moreover, to Dr Viduriati Bin Sumin, Ts Dr Alexius Korom and Encik Hafezan Bin Sisa for giving their best to guide, teach and providing us with numerous information us on how to make the final report for Industrial Training II.

Last but not least to our unforgettable Puan Dayang Shurtinie, the person in charge for our practical session and to all the staffs of Unit Ladang for giving us the unforgettable experiences and lessons during our Field practical since part one until part 5.

Lastly, million thanks to our family especially for both of our parents for always be there to support us either for the morale support, spiritual and financial support. Without them, we cannot manage to reach this point. As the closing, we would like to give thanks to our friends especially out course mate who is also involves directly and indirectly in completing this final report by providing morale support and knowledge to us.

1.0 INTRODUCTION

1.2 Location of Industrial Training

1.1 AGENCY BACKGROUND

Figure 1.1: Wisma Pertanian Building

The placement of our industrial training is at Wisma Pertanian, Kota Kinabalu Sabah.

Jalan Tasik (Off Jalan Matlah Gaya), Luyang Seg Berkunci No. 2050 88532 KOTA KINABALU

The Department of Agriculture Sabah has officially existed as a separate entity since November 1946. In the early stages, the Sabah Agriculture Department is also responsible for the affairs of the animal husbandry enterprise and fisheries.

1.3 VISION AND MISSION

After Sabah achieved independence, several separate departments and agencies were created under the Ministry of Agriculture and Food Industry to address other areas and certain aspects in relation to the development of the crop industry. Currently, the Sabah Agriculture Department is among several Departments and Agencies under this Ministry.

MISSION

Produce, deliver and channel technology and provide quality, customer-Friendly agriculture services to entrepreneurs for sustainable, competitive and sustainable agricultural development in Sabah
