KONFERENS & SEMINAR

05/08/2020 / Dr Nurfarhana Ferdaos

The Faculty of Pharmacy is organizing Virtual Pharm-IIDEx 2020 “Expanding Frontiers Through Innovative Ideas” on 1st August – 20th September 2020. This event is organized to provide a platform for researchers to present their inventions/innovations in the field related to health and well being; including pharmacy, health sciences, medicine, cosmetics, nutraceuticals, agrotechnology, biotechnology (incl. STEM category for secondary and primary schools).

Come join us in this special edition, virtual event. Participation from primary and secondary school students are also welcome (under the Junior Inventor Category) to encourage innovations in the related fields as part of the STEM (Science, Technology, Engineering and Mathematics) initiative.
