1.0 INTRODUCTION TO DEPARTMENT OF AGRICULTURE

Agriculture department has officially existed as a separate entity since November, 1946. At the outset, Agriculture Department is also responsible for the affairs of animal husbandry and fishery industry. After Sabah gained independence, a number of separate departments and agencies have been created under the Ministry of Agriculture and Food Industry to address other areas and certain aspects relating to the development of the crop. Now, the Agriculture Department is among the departments and agencies under the Ministry.

The Department of Agriculture Tuaran placed inside the Agriculture Research Centre. The white color and two floors building were placed besides football field. At the Department of Agriculture Tuaran District at least 45 staff that working there.
