LYANA BINTI DARMAN (2013175445)

DIPLOMA IN PLANTING INDUSTRY MANAGEMENT
FACULTY OF PLANTATION AND AGROTECHNOLOGY

OCTOBER 2016

ACKNOWLEDGMENT

First of all, we would like to express our highest gratitude to Allah S.W.T for His guidance, bless and for giving me the strength to perform my responsibilities as a trainee and complete this industrial training report within the stipulated time.

Our grateful thanks goes to the Jabatan Pertanian Tawau for giving us the opportunity to carry out our industrial training in this agency for 14 weeks period. A big contribution and hard worked from staffs during practical period are very great indeed.

The special thank goes to our helpful supervisor, Tuan Hj Jupri bin Hj Demabela. The supervision and support that she gave truly help the progression and smoothness of the internship programme. Not forget, great appreciation go to the rest of Jabatan Pertanian Tawau staffs that help us from time to time during the project. The whole program really brought us to appreciate the true value of friendship and respect of each other.

Great deals appreciated go to the contribution of Faculty of Plantation. My grateful thanks to Mr. Hamjah Bin Rusli as our lecturer that take responsibility for this internship training because he really hard worked to make sure that our internship place was accepted. Not forget to my other lecturers that always give support and motivation to undergo this internship.

Lastly, to our family and friends that also give us strength and guide to continue our journey as a trainee and complete our internship. Thank you to all of you that involve as direct or indirect to make sure this programme smooth and clear.

EXECUTIVE SUMMARY

CHAPTER 1 : INTRODUCTION

We have been placed for our Industrial Training at the Jabatan Pertanian Tawau. Jabatan Pertanian Tawau is located at Jalan Kuhara. Agriculture Office will be open every day from Monday to Friday from 8.00 am till 5.00 pm.

Jabatan Pertanian Tawau has 10 units. Each unit has their own function which is Administration Unit, Store Unit, Projek Pembangunan Komoditi Unit, Station Unit, Kawalselia Unit, Taman Kekal Pengeluaran Makanan(TKPM) Unit, Pembangunan Usahawan Tani Unit, Industri Asas Tani(IAT) Unit, Extension Unit and Plant Quarantine Unit. Each units is headed by Senior Assistant of Agriculture and the Jabatan Pertanian Tawau is headed by Tuan Hj. Jupri Bin Hj. Demabela is Senior Agriculture Officer.

Jabatan Pertanian Tawau function as disseminate information and transferring the technology, innovation and agriculture materials to the community especially to the farmers. Besides that, Jabatan Pertanian Tawau also gave an advisory service for those farmers need guidance regarding to agriculture. Jabatan Pertanian Tawau also provides the fruit seedling that recommended. Jabatan Pertanian Tawau have their own Plant Quarantine Unit for import and export purposes to ensure the harmful pest and diseases will not entry our district.
