ACKNOWLEDGEMENT

Alhamdulillah, praises and thanks to Allah because of His Almighty and His utmost blessings, I was able to complete this project within the time duration given. I am grateful to Allah S.W.T for giving chance, strength, idea and knowledge to complete this project successfully.

Firstly, my special thanks goes to my supervisor, Puan Nur Suhailayani Binti Suhaimi for her guidance, advice, motivation and support in helping me to conduct this project. Besides that, I also would like to thanks my Project Formulation (CSP600) lecturer, Dr. Elin Eliana Binti Abdul Rahim as well as Project CSP650 lecturers, Puan Hazlifah Binti Mohd Rusli and Profesor Madya Aishah Binti Ahmad@Abdul Mutalib, for their teaching and guidance in these courses.

Special appreciation also goes to my beloved parents and family for their inducement, encouragement and with their blessed prayer in succeeding this project as well as for my success. Last but not least, I would like to give my gratitude to my dearest friends for their help and support. Thanks to all who involved in giving help and support throughout this project.
