1.0 ACKNOWLEDGEMENT

First of all, thanks to God for his mercy and guidance in giving me full strength to complete this Industrial Training at Rinwood Pelita (Mukah) Plantation Sdn. Bhd. for 6 weeks from 14th August 2023 until 22nd September 2023. Even facing with some difficulties during this Industrial Training, I still can managed to complete this training successfully for 6 weeks. A lot of thanks to my supervisor in charge, Encik Tini Bin Isoor for all of his support and guidance in teaching me during the training and that really tested my abilities mentally and physically to finished the Industrial Training successfully.

Special appreciation to the Rinwood Pelita (Mukah) Plantation authority for giving me permission and great co-operations as long as I have been there for 6 weeks in getting some early knowledge of the real environment how to manage the worker in plantation and what is the job in plantation.

Then, I would like thanks to my parents for supporting me mentally and physically not just during the Industrial Training but also during my whole studies in order to born as a good manage in plantation industry one day.

2.0 BACKGROUND

Rinwood Pelita (Mukah) Plantation Sdn. Bhd. was formerly known as Rinwood Sago Plantation Sdn. Bhd. and was established in 1997. The company's main activity back then was sago cultivation at Mukah Oya Estate and now known as Sebakong Mukah Estate. In 1999, the company developed a new area for oil palm cultivation named as Kenyana Estate. On the 4th July 2004, the company changed its name to Rinwood Pelita (Mukah) plantation Sdn. Bhd. where all the operations based on the cultivation and processing FFB. Currently, Sebakong Mukah Estate consists of 2 units which are Sebakong Estate 1 and Sebakong Estate 2, while Kenyana Estates consist of 3 units which are Kenyana Estate 1, Kenyana Estate 2 and Kenyana Estate 3.

3.0 VISION AND MISSION

VISION

- To be well-managed and systematic corporate organization as a leading producer of renewable, sustainable quality and globally accepted oil palm products within the Rinwood Group of Companies.

MISSION

- To optimize the company's resources so as to achieve the company's vision and to produce quality products with cost effective in consideration to the principles of sustainable palm oil development and continuous technological improvement.
