Acknowledgement

Before we get into thick of things, I would like to add a few words of appreciation for the people who have been a part of my industrial practical and this report right from its inception. It has been one of significant academic challenges I have faced and without the support, patience, and guidance of the people involved, my practical and task would not have been completed. It is to them I owe my deepest gratitude.

I would like to express my sincere gratitude to Universiti Teknologi Mara Kampus Mukah 2 for giving me the opportunity to join industrial practical at Kabuloh Agriculture Research Station (Stesen Penyelidikan Pertanian Kabuloh). In 3 Months that had been given to me, I am able to learn and gain new experiences either in direct or indirect way.

I also take this opportunity to express my deep sense of gratitude to OIC (Officer-In-Charge) Hajah Rosmah Haji Jaffar for her cordial support valuable information and guidance which held me in completing my practical through various stages. I would also like to thank RO (Research Officer) John Jadol and RO Shariah Binti Umar for their assist and guidance during my industrial practical, without their help I would not able to finish my industrial practical.

Furthermore, I would also like to acknowledge with much appreciation to the supervisor, PT Lilianita Anak Tutong, AA Muriani Binti Harry, AAO Razaman Ibrahim, SAA Yusli Bin Sawal, AA Sandra Faradilla Anak Stephen, AA Desmond Anak Rangub and SAA Agam Anak Giang, Lucknow, they helped me a lot and providing materials and information to complete my practical and this report. I am obliged to staff members of Kabuloh Agriculture Research who guided me a lot during my industrial practical and helped me learning a lot of things every day in their respective fields.

Besides, I convey my heart full thanks to my guide, Mr. Muhamad Syukrie Bin Abu Talip, who invested his full effort, his exemplary guidance, monitoring and constant encouragement throughout my industrial practical.

Last but not least, I would like to thank my family and friends for their full cooperation and continuous support during my industrial practical.

Kabuloh Agriculture Research Station

- Kabuloh Agriculture Research Station was incorporated on 1964.
- 45 km from Miri city
- Initially 550 ha but left with approximately 200 ha.
- The remaining 300 ha utilized by Unit Perikanan Darat, Taman Kekal Pengeluaran Makanan (TKPM), Pusat Pembangunan Kemahiran Sarawak (PPKS-SAVTI) and Pertubuhan Peladang Kawasan (PPK) Subis.
- Address: STESEN PENYELIDIKAN PERTANIAN KABULOH, KM43, JALAN MIRI-BINTULU, 98000 MIRI, SARAWAK.
