Acknowledge

I am using this opportunity to express my gratitude to everyone who supported me throughout the course of this Diploma in Plantation in Technology for Industrial Practical. I am thankful for Tradewind plantation that is Melur Gemilang Sdn Bhd for the acceptance for doing industrial training for duration 3 months.

Firstly I want to thanks to Allah S.W.T. It is very grateful and thanks because without help from Allah S.W.T, there will not be able to do the practical training in good condition. Because of Allah, I was able to do practical training in more efficient and safe.

Second, I express my warm thanks to Sir Muhamad Syukrie Bin Hj Abu Talip for his guidance before and after industrial training. He as my lecture is the one who gives us advice. Not forget also, because of the knowledge tech by him, I'll able to perform job in excellent.

I express my warm thanks to Tuan Mamza Bin Mohamad that is Estate Manager Tanjung Melano, Tuan Ngumbang Ak Gindi that Assistant Manager that be able for accept support and guidance during practical in this plantation. They are the people who guide me during practical in 3 months about what activity can be done by me with supervision.

Also not forget to the field staff Mohd Nur Fawwas and Rio Mixson whoalso helped me and share knowledge about Field Upkeep and Maintenance. With their help, I'll be able to perform the task given excellently. Not forget, Johari bin Bokhtar, the one who have experience in harvesting more than 10 years. He share and guide me about the harvesting activity during practical.

Lastly, I express my thanks to my fellow DPIM friend who always give advice, share opinion and suggestion before and after practical. As friends, they always give support to the other friends and me.
