Collaborative Teaching on IoT Technology

5 July 2025

A collaborative teaching session was conducted for courses EEE512 and ECM420 on Saturday, 5 July 2025. The lecture, titled "Massive IoT Technology and the Wave Spectrum Connectivity", was delivered by Dr. Hizamel bin Mohd Hizan, Director of the Center of Excellence for Intelligence Network, TM R&D. The online session via Google Meet ran from 9:00 AM to 11:00 AM and was attended by students and staff.

EEE630 Final Presentation Showcased Student Prototypes

9 July 2025

FKE held the Final Presentation for course EEE630 at the TuT Laboratory, Level 5, Tower 1. Students presented their prototypes to a panel of industry experts as part of their course assessment. The session featured panels from Altera, Angkasa-X, Synerwell, and Infineon, who provided constructive feedback and professional insights. Their contributions enriched the students' learning experience and offered valuable guidance for their future careers.
