ACHIEVEMENT

SRP Grant Award

26 November 2025

Congratulations to Assoc. Prof. Ts. Dr. Murizah Kassim and her team for successfully securing the Strategic Research Partnership (SRP) International Grant in collaboration with Al-Balqa Applied University (BAU), Jordan. Their project, titled "Time Series Packet Prediction Modeling for QoS Internet Protocol Bandwidth Management on Metro-E Campus Network" has been awarded RM50,000.00, reflecting their dedication to advancing international research collaboration and innovation.

PPRN Grant Award

Ts. Dr. Ezmin binti Abdullah (Leader) and Assoc. Prof. Dr. Muhamad Nabil Hidayat (Member) have successfully secured the Public-Private Research Network (PPRN) 2.0 Grant amounting to RM50,000.00 for their project titled "A Data Science Approach for Automated Energy Audit Reporting Using Statistical Analysis and Regression-Based Modelling." This achievement reflects their commitment to research excellence and innovation at FKE, with the potential to create significant impact for both industry and society.
