## **DEDICATION**

*To my truly beloved family,  
Thank you for the support, encouragement and advices with never-ending concern for  
me. Without your support and love, completing this thesis would not be possible.  
This is all for you, Thank you*

## **ACKNOWLEDGEMENT**

All praises be to mighty Allah S.W.T., the Most Gracious, Most Merciful and Most Beneficent for giving me strength and ability in completing this project successfully. Peace upon our Prophet Muhammad S.A.W. who has given light to mankind.

Limitation of space does not permit me to mention of all those directly and indirectly contributed to this research. Among them are my respectful first and second advisor, Sr. Ghazali Bin Mohd Amin and Sr. Mohd Sufian Bin Hashim who has giving me guidance and personal encouragement in completing this project paper.

I also wish to express my profound thanks and appreciation to the respondents for their cooperation and kindness in providing me the valuable information and data for my project paper despite their very busy schedule.

My special thanks to my parents and to my family members and friends for their support, guidance and understanding towards my research. Thanks also to my friends who have helping me in finishing this project paper whether it is done directly or indirectly. Without them, this project paper could not possibly be completed.
