CHAPTER 1.0 INTRODUCTION

1.1 BACKGROUND

This final report is compulsory for obtaining a Diploma in Interior Design, Universiti Teknologi Mara. This course is a comprehensive act as a design understanding exercise for the students, where at this level the students are given to prepare a design scheme based on analysis and observations related to issues and problems that they encounter while dealing with the design process. This final report writing is a report for final project Diploma in Interior Architecture on 'Proposed New Design of HPA Beauty Spa and Academy for HPA Sdn. Bhd at C-G-1, Greentown Suria, Jalan Seri Dato Ahmad Said, 30450 Ipoh, Perak.

Nowadays, there are so many spas where you can get treatment. The term spa is related with the water treatment, it is also known as a balneotherapy. They also offers various health treatments. A spa is a place where you can get spa treatment like massage, facial, and body treatment.

According to Lopo Champalimaud (2008),

"Spa is about making people feel better about themselves."

Meanwhile ,according to Anita Brown (2010),

Spas are places devoted to overall well-being through a variety of professional services that encourage the renewal of mind, body and spirit. . But there are many different types of spa:
