Name of Student : Muhammad Syazwan Bin Sukry

Student I.D. No. : 2014290334

Programme : Bachelor in Muamalat –IC210

Faculty : Academy of Contemporary Islamic Studies

Dissertation Title : The Relationship between Careers
Guidance, Parents and PTPTN loan Influence
Students' Career Choices

Signature of Student : 

Date : January 2018

ABSTRACT

Choosing a career right after graduation can be a difficult decision for anyone. Meticulous efforts need to be poured into making a life-changing decision. However, these decisions may be influenced by several factors. This study sought to investigate how career guidance, parents and PTPTN loan influence students' career choice. Conducted through a quantitative approach with the target respondents of Academy Contemporary Islamic Studies Faculty students in UITM Shah Alam that are currently on the final year of semester 6 and 7 in undertaking Bachelor Degree in Muamalat.
