ABSTRACT

PROBLEMS ON DAMAGES IN THE TOILET: A STUDY ON DESIGN AND SPECIFICATION OF UITM TOILET

The resulted were obtainable from primary data based on case study and questionnaire and secondary data from observation, journal and book. In the study, all data collected though observation and questionnaire were analyzed and converted to the chart besides the entire defects found through observation were determine. From the result (finding), the major defects that can be found in the toilet UiTM are the equipment can't function, the flush pump is leaking and it cover missing, floor trap cover missing and it diameter is not following standard requirement, ceiling cover is missing and sometime have dampness and the last defect is floor area is unclean properly so the toilet itself become smelly.

CHAPTER

1.0 INTRODUCTION

1.1	INTRODUCTION	1
	1.1.1 Design	2
	1.1.2 Specification	2
1.2	ISSUE	3
1.3	OBJECTIVE STUDIES	3
1.4	SCOPE OF STUDY	4
1.5	METHODOLOGY OF STUDY	4
1.6	CHAPTER ARRANGEMENT	8

2.0 LITERATURE REVIEW

2.1 INTRODUCTION

2.1.1	Definition Of Toilet	10
2.1.2	History Of Toilet	11
	2.1.1.1 Historical Evolution	13
	2.1.1.2 Toilet Technologies	15
2.1.3	Types Of Toilet	18
	2.1.3.1 An Automated Sanisette Outdoor Toilet	23
	2.1.3.2 Gender And Public Toilet	24
	2.1.3.3 Toilets In Public Transport	27
	2.1.3.4 Toilets For People With Disabilities	29
2.1.4	Common defects in toilet	29

2.2 DESIGN

2.2.1	Definition Of Design	31
2.2.2	History Of Design	32
2.2.3	Design And Building	33
2.2.4	Design Guide	35
2.2.5	Wheelchair requirements	40
2.2.6	Common improvements to upgrade the accessible route	46
	2.2.6.1 Upgrading toilet facilities	46

2.3 SPECIFICATION

2.3.1	Introduction	47
2.3.2	The Context Of The Specification	49
2.3.3	Types Of Specification	50

2.3.4	Detailed Specification Clauses	53
2.3.5	Implementation	55
2.4	NORMAL GUIDELINE OF FLOOR AREA	57
2.5	SPECIFICATION OF TOILET	58
2.6	TOILET CHEMICAL	60
3.0	CASE STUDY & METHODOLOGY	
3.1	CASE STUDY	63
3.1.1	Profile Of The University	63
3.1.2	Campus	64
3.1.3	Shah Alam main campuses	64
3.1.4	Main Campus Map	65
3.1.5	List Of Faculty In UiTM	66
3.1.6	History of faculty	67
3.2	METHODOLOGY	79
3.2.1	Questionnaire	79
3.2.2	Observation	79
