ACKNOWLEDGEMENT

Praise to Allah for giving us the strength and the patience to complete this business plan. Without strength, effort and patient this business will be useful for all of us. It also teaches us to co-operate among us. First of all, we would like to express our gratitude and appreciation to our lecturer, Prof. Madya Ir. Hj. Sodri Ariffin for his valuable suggestions guidance and constant encouragement.

We are also grateful and indebted to our beloved members group for their support and teamwork to complete this business plan. Without their teamwork, this project could not be done. This business plan gave us knowledge about entrepreneurship. We also hope that this will be our first step in business world.

Last but not least our special thanks to our family and friends for their encouragement and support throughout the preparation of this business plan.

While much of the credit for the strength of this project paper is theirs, we are responsible for the weakness that remained.
