ACKNOWLEDGEMENTS

First and foremost, we would like to express our highest gratitude to Allah the Almighty for giving us the opportunity to finish this project paper. To our supervisor, Professor Madya Dr. Md. Amin Haji Abdul Rahman, we owe him the utmost appreciation and gratefulness for his intelligence, patience and creativity on having this paperwork done nicely. Without his guidance, we do not think we can finish this task properly.

We also want to thank Mr. Hafizul Ayup, Penolong Pegawai Teknologi Makanan, Jabatan Agama Islam Selangor (JAIS) for his never ending help. He had facilitated many things and information to us. He also provides the JAIS's library for us to conduct research there.

Thanks also to Mrs. Sue Valquis, and other involved lecturers, to give the idea of our topics and help us for any information regarding to this project paper. To our family, saying thank you is not enough to return your kindness assistance. Without your support, we do not think we can go through the times as it should be and finish this project paper accordingly.

Last but not least, thanks to our friends and colleagues for their ideas and information. We will make sure your help not be wasted. Insya- Allah.

ABSTRACT

This research is conducted to determine the slaughtering of animals regarding the law and practice from the civil and Islamic law perspective. This topic is chosen for the reason that it has never been brought for discussion despite proper slaughtering is very important for it has been practices in all around the world. Therefore, this issue needs more discussion and explanation for the future benefit.

TABLE OF CONTENTS

CHAPTER I: INTRODUCTION

1.1	Introduction	1
1.2	Background of Research	3
1.3	Problem Statement	4
1.4	Objective of the Study	5
1.5	Literature Review	6
1.6	Methodology	9
1.7	Limitation	9
1.8	Significant of the Study	10
1.9	Conclusion	10

CHAPTER 2: AN OVERVIEW OF SLAUGHTERING OF ANIMALS

2.1	Introduction	11
2.2	Method of Slaughtering	11
2.2.1	Method of slaughtering in Malaysia	12
2.2.2	Western Method of Slaughtering Animal	14
2.3	Significant of Slaughtering	15
2.4	Conclusion	16
