ABSTRACT

In completing our project paper, we have conducted a library research on various books and materials that are related to our topics which are perils, warranties, condition and duty of utmost good faith. Furthermore, our research is also based on the judicial trend in fire insurance cases from the year 2000-2006. All the cases we find it in the online from the internet.

PREFACE

Firstly, we would like to express our sincere gratefulness to Almighty Allah SWT for the accomplishment of our project paper. May He make this effort a source of barakah for us.

Our heartfelt thanks extend to our dear kind hearted supervisor, Dr.U.J.Ooi whose untiring striving and care have motivated and inspired us to keep on learning and seeking knowledge.

We would like to express our appreciation to our entire lecturer who agreed to give their time and valuable advises. Their comments and suggestions really help us a lot. We would also like to express our greatest appreciation to all people who give their fully co-operation and time to provide us the information which is needed. Not forgotten to our beloved families. Thank you for supporting us. Special thanks to our friends for the support and encouragement during the preparation of this project paper.

Last but not least, extra special thanks to the university for the opportunity to study and learn at one of the best institution of higher learning to realize our dreams for our future, the nation and our religion.

Finally, a loud gracias for the people who involved upon completion of task directly and indirectly. For their understanding and skill, and always being there to listen. Thank you so much and your kindness will be appreciated.
