ACKNOWLEDGEMENT

This research project paper has been carried out by a team that consists of Fatma Diyana Hassan, Nabila Mohd Noordin, Nur Ashikin Azid and Zurazreen Zainal. Greatest appreciation to the members who have played an important role in obtaining the materials and assist in the process of writing the paper in respective way. We have worked with a great number of people whose contribution in assorted ways to the research and the making of the thesis deserved special mention.

First and foremost, deepest gratitude to Allah S.W.T for His mercy and blessings. Without these, we will not have the mind to think, the hands to write and the heart to appreciate.

Secondly, we would like to record our deep and sincerest gratitude to our supervisor, Puan Norila Abu Hassan for her supervision, advice, and guidance from the very early stage of this research as well as giving us extraordinary experiences throughout the work. Above all and the most needed, she provided us unflinching encouragement and support in various way, which made her a backbone of this research and so to this thesis. Her wide knowledge and her logical way of thinking have been of great value for us. Her understanding, encouraging and personal guidance have provided a good basis for the present thesis.

Special thanks to the interviewees from Road Transport Department, National Consumer Complaints Centre, Department of Occupational Safety and Health and Suruhanjaya Pengangkutan Awam Darat for lending their time in providing us with good materials and information in order to complete our research. It is a pleasure to convey our gratitude to them in our humble acknowledgment.

Finally, we wish to convey our deepest gratitude to our beloved parents, of who without their love, sacrifice and support we would not have the strength to be here today.

ABSTRACT

Recently accident case involving express bus in Malaysia is increasing especially during festive season. Even the government took precautions for example Code of Practice in managing the scheme of work of express bus however, the increasing cases showed, the regulations and guidelines need to be more strict and the enforcement of the guidelines and regulations should be strictly commanded by authorized body. Although there is guidelines and regulations to be followed by the companies, however the guidelines for the express bus companies to hire competent express buses drivers is not included and the observation from the authority should be compulsory and strictly be enforced because we are dealing with many lives of the passengers of the express bus in which should be protected in this issue.
