ACKNOWLEDGEMENT

Alhamdulillah, first of all i would like to thank God as finally i are able to finish my individual assignment that have been given by Fundamental of Entrepreneur lecturer for me. This task had been done with all afford eventhough a little bit problem were happened while I'm doing this assignment. Luckily, all the problem can be settle down and i able to adapt properly and wisely.

Beside that, big thank i address to my beloved and supportive lecturer Sir Najmie because without his guide my task cannot be done properly like this. He always give me support and guide on how to do my assignment in purpose to produce a good outcome from research that had been studied.

Finally, thank you to my beloved friends that always stick together and also work hard to produce a good assignment with all afford and responsibility. Hope that all the afford will give us a lot of benefits to us and also to our group assignment.

Executive Summary

The business name is Delizioso Caffè Da Dessert. The name was inspired by the taste of delicious of the creamy of pudding and ice cream that would make everyone mouthwatering just by hear the name of it. The dessert is made with milk, cream, various sugars, and flavouring such as fresh fruit and nut purees. The taste is very incredible and that is what make our product will be. As for the nature of the business, we are producing pudding as our main activities. We produced various type of pudding such as tapioca pudding, vanilla pudding, panna cotta, tropicana pudding, chocolate pudding, banana pudding and not to forget our main flavour that is widespread around the world about how the taste it is which Cotton Candy Freezy Pudding Ice Cream.

As for now, we only had one dessert lounge café that are located in Alor Setar, Kedah. The location of the café is at the Blok D No. 23 Aman Central, Alor Setar, Kedah. The chosen location can be considered as strategic location for a unique and comfortable café. Hence, the location is perfect to ensure our business will keep going as it will attract people to pass by our café, especially the teenagers since our café is located at the town.

For further information, our business has been registered on 23 September 2019. After registration with the SSM, we have taken a very first to open up a café and start the business on 1 November 2019. Just like other business people, our future prospect is also to create more branches and promote our product at the International level. We are also aiming to be one of the successful dessert business and the first choice of customer and not only in Malaysia but also in the other countries. Besides, we are committed to produce the highest quality dessert using most magnificent ingredient and will always continuously improve all the aspect of our business and products.
