## **EXECUTIVE SUMMARY**

Amaryllis Couture is a business that can be categorized as a Small Medium Enterprise (SME) which provide tailoring service to the customer. Amaryllis Couture are specialized in clothes designing as we produce made to measure custom clothing for middle class women , modern wearer and so on. I also believe that it is the main element that could attract a person eye, especially women. Amaryllis Couture consists of two business partnership who contribute same amount of capital and will hold different task and responsibilities in order to manage our business.

From my observation, I had planned to set up this business because I can see wider scope of this sector for the future. Furthermore, I also discover that most of the women nowadays desire a beautiful and modern clothes that can make them feel confident. So, I came out with an elegant and up to date designs yet can be purchase at a reasonable price meanwhile satisfying their needs.

Moreover, I have discovered that there are many competitors involved in clothes tailoring services nowadays. So, I take it as the opportunities for me to expand my business since I am qualified with the skill and creativity required.

In addition, since my company is listed as a new company in market. It is clear that there are many aspects that should be consider to ensure my company is able to compete in the market as we can see there are many people that involve in business in today's society.

Hence, I hope that Amaryllis Couture can be a well-known company throughout the nation and able to provide greater service from time to time. I also believe that the demand of clothes tailoring service will be increase every year as the increase in human population. Lastly, it is our happiness to be the benchmark for other peoples who are interested to start business
