## ABSTRACT

Library services are one of the services that are important in the field of education and intellectual development of society. As an innovation center, libraries play an important role in creating a society of culture and love reading knowledge. In line with the government's intention to make Malaysia a regional education hub, then evaluation of library services should be focused. This study was conducted to determine the importance of the Library Academy of Islamic Studies University of Malaya Nilam Puri in contributing knowledge to the community. The factors involved in the study are services, staff, services, Islamic References book, material, good environment and activities. A total of 106 respondents is randomly selected which are community or users of this library. This study collected the data through questionnaires which are directly distributed to the users. The data were analyzed using Logistic regression. The overall findings of the study showed that the visitors are satisfied with the staff at the counter have a friendly attitude, the various types of magazines and newspapers is limited, the new edition of the book should be added to the other general and the library enables me to accomplish tasks faster. It is found that others factors should be improved. At the end of the study, the researcher had proposed several suggestions to the related parties to ensure full attention was paid towards the studied problems.

## ACKNOWLEDGEMENT

بِسْمِ اللَّهِ الرَّحْمَنِ الرَّحِيمِ

**“In the name of ALLAH S.W.T, the Most Gracious and the Most Merciful”**

Praise to Allah S.W.T. the Lord of the universe, for his wisdom, strength and blessings. Without His Grace and Mercifulness, this report may not be completed on time. The greatest and deepest thanks to Allah, for He is the ultimate reason that this research paper can now be read by others. Peace and blessings of Allah be upon His Messenger, Muhammad S.A. W.

I feel really grateful and appreciate the opportunity that I have been placed at the Akademi Pengajian Islam Universiti Malaya, Nilam Puri Kelantan and I was placed under library department. The opportunity of doing my internship at this university was really a good chance that not many can get it.

First and foremost, I would like to express my deepest gratitude to Deputy Director of Islamic Studies Foundation Studies, Ascc. Prof Dr. Mohd Muhiden bin Abd Rahman for giving me permission to make industrial training at Akademi Pengajian Islam Universiti Malaya, Nilam Puri Kelantan.

I would like to say thank you to my helpful training supervisor, Madam Haslina binti Husain and my generous supervisor at Universiti Teknologi Mara (UiTM), Ascc. Prof. Dr. Jusoh bin Yacob for their kindness and interesting discussion from which I always benefited. All the help, support and guidance that were given to me along the

way of the semester practical training were invaluable. I really appreciated the opportunity of completing my internship under their supervision. I gained new experiences and learnt many interesting and valuable things during my time with them. Thanks a lot for their support and helping hands through completing this project.

I also want to express my gratitude of thanks to ALLAH S.W.T. for giving me a good health to enable me to complete this project. I would like to say thank you to Library APIUM staff, and my friends for their support and helping hand, directly or indirectly in completing my project. My gratitude also to those participants who have sacrificed some their time in providing information for my study purposes.

Last but not least, I would like to give my hearty thank to my mother for the unconditional love, inspiring support, encouragement and positive spirit. All your support and contribution mean a lot to me and only ALLAH S.W.T can recall your kindness.

Thank you so much.
