## ACKNOWLEDGEMENTS

Firstly, I would like to give my greatest thanks and gratitude to ALLAH S.W.T. because with His blessings I managed to undergo the last part of my final year project in success.

Next, I would like to express my thanks to my supervisor, Puan Normah binti Mohd Rawi for her continuous guidance. My deepest thanks go to the coordinator of the Project course (CSP650), Puan Itaza Afiani binti Mohtar, who is also my co-supervisor, for giving me the opportunity to do this project and observing my work from time to time. Also, I would like to give my sincerest gratitude to lecturer Miss Siti Salihah binti Shaffie for her help and assistance when I was in a pinch with my project.

I would also like to express gratitude to Puan Noor Wahida binti Abu Seman, the Executive of Zakat for the Zakat Distribution Unit from Majlis Agama Islam dan Adat Melayu Perak (MAIPk), Ipoh for her assistance in the first interview on the distribution of zakat. For the interviews as of later, my greatest thanks to Puan Norfazilah binti Bawadi, the Official of District Baitulmal in the Zakat Department of Majlis Agama Islam dan Adat Melayu Perak (MAIPk), Sri Iskandar.

My special thanks goes to my beloved parents, family members, classmates and friends who have been supportive and helpful at all time. Additionally, I also want to take this opportunity to express my gratitude to all my lecturers that have taught me for this past two years. Last but not least, to all the people who have helped me directly or indirectly, thank you very much.
