## **ACKNOWLEDGEMENT**

Bismillahirrahmanirrahim.

Assalamualaikum.

In the name of Allah The Most Compassionate and The Most Gracious. Alhamdulillah, all assignment that we do to be going well. Even a short time to complete this task, but we try the best to complete the assignment. First of all, we would like to extend we deepest gratitude and special thanks to all those who have directly and indirectly guided us while we were doing this task. We want to express our deepest appreciation to our supervisor En Mohd Asrul and Sr. Dr Mohd Fadzil.

Secondly, we want to express a lot of thanks to all parents that give us supported especially on financial to finish this task. Nowadays, all things have to use money specially to print out this task, without parents financial supported we can't finish this task.

Thirdly, cooperation from team group and classmates also helps a lot to finish this report. We want to thanks all friends that help us in giving an idea on how to do this task and giving us supported to finish all this task. Their contributions and continuous encouragement are greatly appreciated. We feel very happy because have been finish this task exactly on time. Finally, we would like to thanks again to our lecturer
