ACKNOWLEDGEMENT

In The Name Of Allah, The Most Gracious, The Most Merciful, All The Praises and Thanks Be To Allah, The Lord of ‘Alamin, The Most Gracious, The Most Merciful. The Only Owner of the Day of Recompense

First of all, I would like to express my deepest appreciation to my respected supervisor, Encik Mohd bin Sulaiman and my advisor Madam Siti Nurhafizah Mohd Shafie for their guidance, support, advice and supervision in completing this research.

I would like to thanks also to my parents for their great support and enthusiasm from the first day I start to do a research. They are good motivator for me to finish my research and sometime they also give their opinion and suggestion for this research. Thanks again for them.

Additionally, I would like to thank to all my beloved friends who are also give a support and always encourage me to do the best in the report.

I am grateful to the Ministry of Higher Education Malaysia and Univesiti Teknologi MARA, for funding my study. I am also very much grateful to the Employees’ Provident Funds (EPF) Kuala Terengganu because allow me to do a research at their department.

Lastly, special thanks to all whose who directly and indirectly guided me to finish up this report. All your contribution and continuous encouragement are greatly appreciated.

ABSTRACT

The purpose of this study is to determine the effect of knowledge and role social security organization on the member's awareness towards their savings after the retirement for the active members at EPF Kuala Terengganu. The study taken 201 respondents used the simple random sampling technique and collected by administrative distributed questionnaires that have two section, part A and part B. The data was analyzed using the AMOS and SPSS. The Structural Equation Modeling (SEM) approach used to investigate the relevant hypothesis among the constructs. The result shows knowledge and role social security organization have positive effect on the members awareness towards their savings after the retirement.

Keywords: Knowledge, Role Social Security Organization, Members awareness, Structural Equation Modeling (SEM), Employee Provided Fund (EPF)

CHAPTER 2 RESEARCH PROJECT	
2.1 Introduction	10
2.2 Background Of The Study	10-11
2.3 Problem Statement	11
2.4 Objective Of The Study	12

2.5	Research Question	12
2.6	Research Hypothesis	12
2.7	Significant Of The Study	12-13
2.8	Scope and Limitation of the Study	13

CHAPTER 3 LITERATURE REVIEW

3.1	Introduction	14
3.2	The Literature Review	14-16
3.2.1	Knowledge	14-15
3.2.2	Role Social Security Organization	15-16
3.2.3	Member's Awareness	16
3.3	The Definition Of Terms	17
3.4	The Theoretical Framework Of Study	17
3.4.1	The Construct In The Model	18

CHAPTER 4 METHODOLOGY

4.1	Introduction	19
4.2	Target Of The Study	19
4.3	The Sampling And Data Collection Procedure	19-20
4.4	The Measuring Instrument Employed In The Study	20
4.5	Assumption Required	20
4.6	Reliability and Validity	21
4.7	Normality	21
4.8	The procedure for data analysis	21-28
4.8.1	Descriptive statistics	22-23
4.8.2	Explanatory Factor Analysis	23-24
