## ACKNOWLEDGEMENT

Assalamualaikum w.b.t.,

In the name of Allah, Most Gracious, Most Merciful

Firstly, thanks to the Almighty Allah SWT for giving me the opportunity to complete my project for CSP650 on time. I would like to extend my appreciation to many people who helped me in the completion of this project.

I would like to thank my supervisor of this project, Puan Normah Bt Mohd Rawi for the valuable guidance and advice. She inspired me greatly to work on this project. Her willingness to spend time and motivate me contributed tremendously to my project. I also like to thank her for sharing her ideas related to my project and make my project become more interesting.

I also would like to thank other people that involve in my project and also thank to Prof. Madya Dr. Puteri Nor Hashimah the lecturer of CSP650. She gives a lot of example and guidance to do my report. She has taught me how to write a good report.

Finally, an honorable mention goes to my family members and friends for their understandings and supports on me in completing this report. Without the help of the particular that mentioned above, I would face many difficulties while doing this project.
