ACKNOWLEDGEMENT

We would like to thank to our Madam Noranita binti Abdamia who encourages and give a full support to us to complete this project. She have given us a good service by providing useful information to us. Without her, we would not able to complete this project. Besides, we also take this opportunity to record our sincerity to all our classmates for their modal supports. Last but not least, we also want to express our gratitude to all and who directly or indirectly have lent their helping hand in this project.
