## **ACKNOWLEDGEMENT**

First of all, we would like to thank Allah SWT for His blessings and permissions because, finally we manage to complete and fulfill the requirements for the subject Fundamentals of Entrepreneurship (ENT300) which is producing a business proposal.

The next person that we would like to give our appreciation are two of our ENT300 lecturers which are Madam Noranita for our tutorial class and Miss Fairuz for our lecture class. Both of them have guided us in many ways as possible to complete the proposal as demanded by the criteria of the subject. Their willingness to guide us and motivated us has been a big helps to finish this business proposal as needed. Madam Noranita continuously follow up on us in every tutorial class that makes us always be prepared to cover up different part of the business proposal every week. Without them, we may not complete our proposal and the possibilities of doing a wrong business proposal may occur. She has been very responsive in providing necessary information on our business proposal and data collected that is suitable for our new business.

All the members of this group has been very dedicated in order to successfully completed the business proposal with the most accurate data. All members have given a great teamwork which makes it easier to finish the proposal no matter if the proposal has been rejected many times and needed to be adjusted with a decent and suitable data. Making this proposal a reality has been a memorable moments for each one of the members. With the support and helped of each other, this business proposal is produced.
