ACKNOWLEDGEMENT

The success and final outcome of this assignment required a lot of guidance and assistance from many people and I extremely fortunate to be provided by this all along the completion of my assignment work. Whatever I have done is only due to such guidance and assistance and I would like to give them our recognitions. I wish to express my appreciation to Madam Wan Masnieza Bt. Wan Mustafa for the opportunity to do this assignment work and provide me all the support and guidance which have made the process much easier and complete the assignment on time.

I am really grateful because I have managed to complete this assignment within the time given by my lecturer despite many problems arising in the way. This assignment cannot be completed without the great effort and cooperation from my friends. Last but not least, I would like to express my gratitude to my family because always support me to finished my report.
