1 October 2000.

Sir,

**Submission Of Business Plan for ETR 300 Subject.**

As stated above, we as a student Civil Engineering from group DICE 6B have submitted the Business Plan as requested in ETR 300 subject. We have completed this business plan as required in a right procedure and suitable for our business.

2. We choose this project because it is suitable with our course that we have taken in UiTM and because this business has good potential to develop and have a wide market suitable to achieve vision 2020.

CREATIVE ENERGY ENTERPRISE

Therefore, we submitted our Business Plan and we hope that our business plan is as required for ETR 300 subject. Last but not least, we hope that you will be satisfied with our Business Plan.

Thank you.

Yours sincerely,

(SURAYA BINTI IDIN)

General Manager.
