## ABSTRACT

This is a brief study on the marketing problems and prospects of Ramlee & Co (Licensed Taxation Accountant) in the Kota Kinabalu Region. The objectives of this study are to look into the marketing problems and prospects faced by Ramlee & Co in the Kota Kinabalu Region in relation to the marketing mix example price, products, place and promotion and recommend appropriate solutions onto the marketing problems. Besides that, is to identify and analyse the marketing prospects which include determine the potential target markets and exploring the market opportunities available and recommend appropriate marketing strategies in order to increase the company's clients.

In obtaining the information for this study, I have done personal interview with the Dewan Perniagaan Bumiputra Sabah, Persatuan Penjaja-Penjaja Kecil Bumiputra Sabah, Inland Revenue Department and the clients of Ramlee & Co especially whom are located in the Kota Kinabalu Region.

ACKNOWLEDGEMENT

\*\*\*\*\*

I would like to take this great opportunity to express my deepest gratitude to all those people who have especially helped me to make this thesis possible.

My special thanks to Encik Warren bin Kabul, my consultant and lecturer for this subject, for being so supportive and helpful to me in making this thesis a successful one.

My hearty thank also goes to Encik Mohd.Roslan Mohd.Yunus, Ramlee Mohd. Yunus, Roslee Mohd. Yunus and to all staff of Ramlee & Co, for their kindness and helpfulness in providing me all the informations regarding RAMLEE & CO (Licensed Taxation Accountant) which I needed.

To my beloved parent and family, who have encouraged me from the beginning in every possible way and for being so understanding in all aspects throughout our lives.

Last but not least, there is no way I can adequately thank my friends and all the other men and women whom have given me their time to listen and answer my questions in order for me to gain information.

## TABLE OF CONTENTS
