PREFACE

Bismillahirrahmanirrahim,

In the name of ALLAH, the Most Gracious and the Most Merciful , by his consent, we are able to finish our business planning for ETR 300 subject.

Without an effort with the faithfulness, it is impossible to finish it at the time. We had learn a very useful lesson that is always be independent, not depends too much on the others, co-operate each others in order to be more strong and dare to face the risk. All that helps us in preparing or completed ourselves to face the real business world. Thank you very much to all that involves in finishing the project whether internally or externally.

Hence that, with the experience had we through in, would help us in the future.
