# 1.0 BUSINESS PLAN

1.1 Name of company

Banana House

### 1.2 Nature of business

Banana is one of a Malaysia's local fruit. It consist of many types of bananas with each types have its own unique and characteristic. For our product which is called Banana Coated, we are using Pisang Mas or the scientific name is Lady Finger Banana as the main ingredients, this is because, Lady Finger Banana are sweeter than other types of banana as well as easy to find in Malaysia. Lady Finger Banana also have a dwarfs species which is the fruit will grow for only 4 - 5 inches. The size of the banana will make it easier for us to decorate the banana with chocolate and also easier for us on cutting the banana. Our products are made from banana and coated with the main flavour. We also provide other flavours that such as vanilla, strawberry, neopolitan and raspberry. Neopolitan is combination flavour of vanilla, strawberry and chocolate.
