"Making You Look Good It's Our Priority"

2.1 ADMINISTRATION PLAN

Administration is the most important thing to set up a business. It is to ensure the business run smoothly. The performance, growth and survival of the business depend on managerial skills and capabilities. The manager should have the administration function such as planning, controlling, organizing, and leading the company. The task of administration manager is to set the employee's salaries, protect the employee's welfare compensation and fringe benefits, recruiting, provide the furniture and fitting in the office to ensure the employee have comfortable working environment. The administration also has to arrange the organizational structure, do a working schedule, and calculate all budgets relating to administration department.

Besides, the administration also responsible to ensure the partnership and the employees get the acceptable salaries like stated in the agreement and take care about employee welfare such as SOCSO, EPF, bonuses and leaves such as medical leaves, emergency leaves, maternity leaves and annual leaves. Thus, in Fragrance Laundry we see administration function as a vital task where it compresses all the elements to make sure the effectiveness in terms of performing organization activities. Our company, Fragrance Laundry, see that student demand on this service are dramatically increases day by day. By looking this as business opportunity, we chose to create this company that not only focusing in domestic demand but also to help students to manage their time wisely.

Furthermore, students also like to choose laundry to wash their clothes as it is convenience to use and offer with reasonable price. Most of the UiTM and UNIMAS student be being, starbout from the campus. It has this will cleate in look that lines opportunity to the entrepreneur.
