ACKNOWLEDGMENT

We begin in the name of Allah, Most Beneficent and Most Merciful. Praise to Allah SWT for providing us with great health, strength and emotional supporting for the completion of this case study report as one of the requirements that need to be accomplished in the course work assessment for subject ENT 600.

First and foremost, we would like to thank our dear lecturer, Madam Azzah for the valuable guidance and advices. She always energetic and lead us one by one to complete this report although during this pandemic condition. Without her help, we would not be able to complete this case study report.

Besides, we would like to thank the authority of University of Technology MARA for providing us with good lesson method to complete this report during online class. We also blessed with this subject because it gave us a chance to learn and think out of box.

There are a lot of challenges that we have to face such as finding the right and successful entrepreneur for interviewing especially during this pandemic COVID-19. Therefore, we will not forget to thank the owner of Bakeology Mart, Mr. Junaidi Mohamad and his staffs for their kindness in helping us during the process of completion for this case study report.

Finally, an honourable mention goes to our families and friends for their supports and understandings on us in completing this case study report. Without helps of the particular mentioned above, we will face difficulties in finish this report.
