ACKNOWLEDGMENT

We begin in the name of Allah, Most Beneficent and Most Merciful. Praise to Allah SWT for providing us with great health, strength and emotional supporting for the completion of this case study report as one of the requirements that need to be accomplished in the course work assessment for subject Technology Entrepreneurship (ENT600).

First and foremost, we would like to thank our dear lecturer, **Madam Azzah Binti Amran** for the valuable guidance and advice. She inspired us greatly to make this report. Her willingness to motivate us contributed tremendously to our report. We also would like to thank her for showing us some examples that related to the topic of the report. Without her help, we would not be able to complete this case study report.

Besides, we would like to thank the authority of University of Technology MARA for providing us with a good environment and facilities to complete this report. We would like to take this opportunity to thank the Faculty of Computer and Mathematical Sciences of UiTM for offering this subject, Technology Entrepreneurship. It gave us a chance to participate and learn about being a successes entrepreneur.

There are a lot of challenges that we have to face such as finding the right successful entrepreneur for interviewing. Therefore, not to be forgotten to the owner of the ASC Ecogreen, **Mdm. Nurul Akhmar Ismail** and their staffs for their kindness in helping us during the process of completion for this case study report. Beside that the purpose we choose ASC Ecogreen as our topic because we want to get more information about how ASC Ecogreen works by expending this business and make profit.

Finally, an honourable mention goes to our families and friends for their supports and understandings on us in completing this case study report. Without helps of the particular mentioned above, we will face many difficulties while doing this case study report.
