ACKNOWLEDGMENT

We begin in the name of Allah, Most Beneficent and Most Merciful. Praise to Allah SWT for providing me with great health and strength for the completion of this case study report as one of the requirements that need to be accomplished in the course work assessment for subject Technology Entrepreneurship (ENT600).

First and foremost, I would like to express my greatest gratitude to my supportive lecturer, Miss Nur Aishazwanie Binti Shahrulazhar for the countless hours of dedication and guiding me throughout the course of this study. Without her help, I would not be able to complete this case study report. I also would like to thank her for showing me some examples that related to the topic of the report.

Besides, I would like to take this opportunity to thank the Faculty of Computer and Mathematical Sciences of UiTM for offering this subject, Technology Entrepreneurship. It gave me a chance to participate and learn about being a successful entrepreneur.

Finally, an honourable mention goes to my families and friends for their supports and understandings on me in completing this case study report. Without helps of the particular mentioned above, I would face many difficulties while doing this case study report.
