ACKNOWLEDGMENT

First and foremost, all praise to Allah, Most Beneficent and Most Merciful for His blessings and guidance for giving me inspiration to complete this case study report and providing me with great health, strength and emotional to see that this report becomes a reality. Without His blessings, this report will never be completed and just halt in the dreams.

Besides, many people have played their roles which leads to the completion of this case study report. I would like to express my gratitude to those who have helped in the planning, brainstorming and writing this report. Firstly, all the credits should be given to my lovely lecturer, Madam Yusrina Hayati binti Nik Muhammad Naziman. She inspired me by giving great encouragement and motivation to finish this report. The good deeds she has given will not be forgotten as she showed some examples of the report and guidance that related.

Next, I would like to thank the Faculty of Computer and Mathematical Sciences of UiTM for offering this subject, Technology Entrepreneurship. It gave us a chance to participate and learn about being a successes entrepreneur.

There are lots of challenges that I have to face such as finding the right successful entrepreneur for interviewing. Therefore, not to be forgotten to the owner of D'Conner Banana and Palm, Mr. Sukeri bin Ahmad and their staffs for their kindness in helping us during the process of completion for this case study report.

Finally, I would take this opportunity to thank my family members and friends who were very eager to complete this report. They have backed me up with a lot of encouragements and useful advices. Without the help of the particular parties that I have mentioned above, I would face many difficulties while doing this report.

Thank You.
