ACKNOWLEDGEMENT

In the name of Allah, the Most Gracious and the Most Merciful. Alhamdulillah, all praises to Allah for the strengths and His blessing finally I can finish my case study. Luckily, all the problems can be settled down and adapted properly.

First and foremost, big thanks and special appreciation goes to my lecturer, Madam Yusrina Hayati binti Nik Muhammad Naziman for her supervision, constant support, and encouragement. Her invaluable help of constructive comments, suggestions, and guidance makes me finally accomplished my task successfully.

Next, sincerely thanks to my classmates who gave me some ideas, feedback, kindness and moral support about our project to complete this case study. Without their support, the ideas could not have been realized. Most importantly, special thanks also to my family for their external support and encouraging us to finish this study.

Last but not least, I would like to express my gratitude to those who indirectly contributed to this research, your kindness means a lot to me. Thank you very much.
