ACKNOWLEDGEMENT

First of all I would like to be grateful to Almighty Allah by reason of giving me chanced to complete my case study report. Without His power, I was unable to finish my work in expected time. With grateful heart I would like to express a special thanks to Wan Maju Enterprise for allowing and giving me an opportunity to undergo my case study. I express my deepest thanks to Mrs Wan Meriam binti Wan Abu Bakar, company's owner who in spite of being extraordinarily busy with his duty, took time out to hear and guide me to carry out my case study.

Besides, I would like to express my sentiment of gratitude to my lecturer Mrs Yusrina Hayati binti Nik Muhammad Naziman. Without her kind direction and proper guidance this project would have been a little success. Next, also not forgot to my careful and precious parents who encouraged me to cope with the problem that I faced during completing this project. Thank you so much to all my friends who are contributing their moral support and ideas to me for unleashing this project.

Lastly, it would not have been possible without the kind support and help of many people. So, I would like to extend my sincere thank to all of them.
