Acknowledgment

First and foremost, praises and thanks to Allah, the Almighty, for His showers of blessings throughout the progress to complete of this case study report that need to be accomplished in the course work assessment for subject Technology Entrepreneurship (ENT600).

A special gratitude I give to my dear lecturer, Madam Yusrina Hayati Binti Nik Muhammad Naziman for providing invaluable guidance throughout this task. Her dynamism, vision and motivation have deeply inspired us. It was a great privilege and honour to work and study under her guidance. I would like to thank her for showing us some examples that related to the topic.

Moreover, I also thanks to the owner of the Elini Enterprise, Mr. Che Mazlan bin Che Mood with his partnership Mrs Elinimaslinda Binti Che Muda for their kindness in helping during the process of completion for this case study report.

I am extremely grateful to my parents for their love, prayers, caring and sacrifices for educating and preparing for my future. Lastly, I am very much thankful to my classmates for their supports and understandings on us in completing this case study report.
