All these information are required to define the area of the study of the research.

1.1 BACKGROUND OF STUDY

Today, writing a Wills is important. So, for those of who have not been up to scratch, 'why do we need a Will?' Basically, we will need one for when we have ceased to be, kicked the bucket, joined the choir invisible, or to put it simply. Someone great once said, "Death ends a life, but not a relationship.", so how do we maintain that relationship once we have passed on? That is absolutely right, by writing a will.
