Diploma in Town and Regional Planning

Supervisor : Madam Noor Ashikin Mohamad Bahari  
TPS352 Coordinator : Dr. Nor Eeda Hj. Ali  
Programmed Coordinator : Dr. Norainah Abdul Rahman

## **ABSTRACT**

Lack of quality Safety design elements can further aggravate crime in the neighborhood. Crime problems in the neighborhood can affect the safety of the population. This is not only solved by the police but requires cooperation between the management and the local people. There is need to make an improvement of understanding and potential role also the strategic approach is needed for planning and managing to decrease the common crime cases in the neighborhood area. This research aim is to study the resident's opinion on the effectiveness of safety design elements in neighborhood area (Block G, Block H, Block J, Block K, Block L and Block N) at Pusat Komersial, Seksyen 7, Shah Alam, Selangor. This research is based on data obtained from primary data which is questionnaire survey and secondary data which are articles, internets, books and so on about the safety in neighborhood, safety design elements in apartment building and others. The data was analyses to evaluate and determine the effectiveness of safety design elements in neighborhood area. The result of the study suggested that effectiveness safety design elements is needed for local authorities such as police, immigration and other to successfully make a solution and improvement of management in crime prevention for neighborhood area.

## **ACKNOWLEDGEMENT**

First of all, I would like to thank to Allah S.W. T for His grace I have been able complete the Planning Project Paper in my final year of Diploma Town and Regional Planning.

My appreciation goes to the supervisor Madam Noor Ashikin Mohamad Bahari, coordinator of TPS352 Dr. Nor Eeda Hj. Ali, assistant coordinator of TPS352 Miss Ana Kashfi Muhamad, programmed coordinator of Department in Town and Regional Planning Dr. Norainah Abdul Rahman and all lecturers because guide and helped in various aspects, always update the important thing such as date line for every chapter, note every chapter and also teaching and provide a good writing guidelines for Planning Project Paper report.

Finally, I would like to thank all my family, friends and anyone who involved in giving a good support, give a good information and others thing from the beginning to the end. I really appreciate the kindness from you all. Thankyou.
