## **ACKNOWLEDGMENTS**

“In The Name of Allah, The Most Gracious, The Most Merciful”

Firstly, we are grateful to Allah S.W.T for giving us the strength to complete this project successfully.

We would like to express our very great appreciation to our supervisor, Madam Fukayhah @ Fatiha Bt Suhami for her valuable and constructive suggestion during the planning and development of this final year project. Her willingness to give her time generously has been very much appreciated.

Moreover, we would like to extend our deepest appreciation for our lecturers for their guidance and sharing their knowledge throughout our study. It is really appreciated. Furthermore, we also would like to thank our friends who are helping us a lot in giving opinions and sharing their knowledge in order to make us completing our study.

Last but not least, a very special thanks with great respect to our families, especially our beloved parents for their support either morally, financially or physically. Also, a lot of thanks to all those involved directly or indirectly in helping us to complete our final year project.
